5.8.2022 - What the Doctor Order...

Pericope: A parable about a man who has a steward that he decides to fire. Also: The Crafty Steward; Parable Of The Crafty Steward; Parable of the Dishonest Manager; The Parable of the Dishonest Steward; Parable of the Unjust Steward. MAIN: "the Christian approach to life is that we should invest our lives for the good of others and the glory of God. This chapter emphasizes that truth: life is a stewardship, and we must use our God-given opportunities faithfully. One day we must give an account to the Lord of what we have done with all He has given to us, so we had better heed what Jesus says in this chapter about the right and wrong use of wealth." Wall Street Journal Quote

The writer might have added that money is also a provoker of covetousness and competition, a wonderful servant but a terrible master.

1 Timothy 6:10

10 For the **love** of money is a root of all sorts of evil, and some by **longing** for it have **wandered** away from the faith and pierced themselves with many griefs.
